Tits and Guts

Fucking around with ideas

May 2024 - January 2025

VOL. 002

Quick note:

Instead of putting text on every page nobody is really interested in anyway, I just crammed a ton of images and screenshots of what I've been working on in the following pages.

Feel free to find me on any/most social platforms @titsandguts if you have any questions.

DURD'S
FARTCADE
